## Isómeros

# Unidad 12

## ISÓMEROS

# Unidad 12

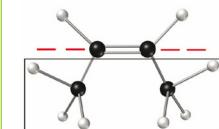

## Isómeros

### La estereoisomería

puede ser de dos tipos

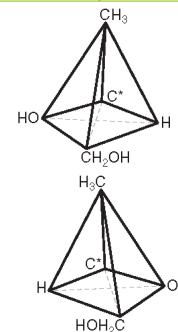

#### Geométrica

como en el caso

#### Óptica

como en el caso

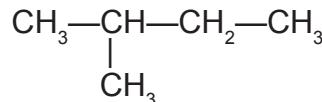

# Unidad 12

## Isómeros

Isómeros de cadena:  $C_5H_{12}$

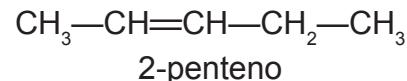

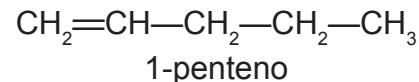

Pentano

Metil-butano

Isómeros de posición:  $C_5H_{10}$

Isómeros de función:  $C_2H_6O$
